“ *Eternal rest grant unto sweet Marjorie, O Lord, and may Perpetual Light shine upon her. May she rest in peace. So many happy memories of Marjorie over SO MANY years! My deepest sympathy to you, Jackie! Each time I see you at Mass at St. Paul's, I think of your Mother and whisper a little prayer for her. She lived a good, long life. God, rest her soul!*

“ *Marjorie's support of Grant Medical Center was extraordinary! I was the VP of GMC when we applied for Magnet Status with the American Nurses Association. Part of the site visit included a community forum. An opportunity for the Columbus Community to share their experiences and support for GMC. Margarie attended the session in the Gingher Conference Room and told the surveys why she and Chalmers had always supported that downtown hospital. We achieved Magnet Status! The first hospital in Central Ohio to do so - I think - I know we were the first OhioHealth hospital to do so. I was always fond of Margerie and appreciated her support. She was a great woman and will be missed.*
