“ *I recall when Mark and I first met, it was in 1991 at park College in Parkville Mo. i saw this larger than life guy about 6 foot tall weighing close to 300 pounds wearing shorts and a St Joe water polo jacket. I laughed as i could imagine this guy playing water polo, i mean this guy had muscles even in his fingers. we started hanging out and became friends. we went through school together and eventually even practiced together in Ohio in 1998-2000. we lost touch with each other over the years as friends do and now i regret that as i have lost a very good friend. one thing i can say with certainty is that Mark lived life to the fullest and was always smiling and always laughing. Our time in school together was some of the best memories i have. you will certainly be missed and the world definitely lost a great person.*

“ *My sincere sympathy to Mark's entire family. We were longtime church family members. He was an inspiration to a lot of people throughout his life. My heart aches for each and every one of you. But, remember . . . in the Lord's time, we will all be together again!*

“ I have many fond memories of Mark at First Lutheran. He was in my Sunday School class and was always waving his hand with an answer or comment , Mark was also confirmed the same year as my daughter and stepson. Mark loved music and was very talented. We played in the adult bell choir together and he also played in the youth choir I directed. Mark volunteered to direct the pre-school chime choir. He was very active in the youth group. Mark was a very special young man.

Our thoughts and prayers are with family and friends.

“ Brie: I was so very sad to hear of Mark's passing. Even though I never got to meet him in person, from all the fun-filled and loving pictures I have seen of you two and the loving words you have posted about him and the twinkle in both your eyes when photographed together; I can tell that you both shared such a special bond and love together that few people experience. You are in my thoughts and prayers and my wishes to you for God to hold you close and take extra special care of you during this time. He will always be with you in spirit and watching over his Brie... and Zachary... and Chuy Juan...

“ I was deeply saddened to hear of Marks passing. He and I were good friends in our high school years at Benton. I lived on Fourth street just one block over from his parents house. I would walk to Marks every morning to go to school with him and he was never ready. Some mornings he was still in bed!! We used to play Dungeons and Dragons in the basement till all hours of the night too. He was such a funny guy and when we got him laughing it was hilarious. Even though we had lost touch over the years, my memories of our childhood still bring a smile to face. My thoughts and prayers go out to his wife, Bobbi, Pete and Charlotte.

“ My heart is broken for your family at this time of passing. Mark was a sweet person. I have fond memories from junior high and high school band. My first limo ride was with Mark when for his 8th grade tea, the Rupp funeral home limo came to pick me up to take me to school with him that morning. Just this week I told a coworker that Ground Hog Day was his birthday. My thoughts and prayers for his wife and family.

“ Dear Brielle and Zachary,

My family and I are deeply saddened to learn of Mark's passing.

We met Mark, Charlotte, Bobbie and Robbie Kim at preschool. Our son, Jeff and daughter Valerie went to Hyde and Benton with him and Rob. Mark was a great kid, and a pleasure to know.

It is never easy to lose one you love so dearly. May you find comfort and peace in the loving memories you shared. You are in our hearts and prayers.

Love,
