“ *I recently learned of Mark's passing. My condolences to his family. I knew Mark from our undergraduate years together at Bowling Green and I have fond memories of him. As a fellow Eagle Scout, I know that he has "gone home." Until we meet at the Great Campfire, Mark, rest in peace.*

“ *Mark always had a smile and a hug for us. He and his family have served as a wonderful example of Faith in our Lord Jesus Christ. I didn't get his Apple fritters down to him last week as promised! If I could I'd send them with him to share with God. Think he'd like them too. God has blessed him with a wonderful life and family. We love you, Mark.*

“ Uncle Mark, where do I begin? I have so many great memories that it’s hard to condense them all into one paragraph. But who can forget him and Grandma getting each other riled up and making us all laugh? Or me teasing him about how Michigan was my favorite during that sacred game every year (go bucks btw!)? We always laughed and had a great time with Uncle Mark around. He loved his family, there was no question in that! I’m so happy my son got to spend time with him in June this year because it’s still something Lincoln remembers and talks about. Mark made an amazing connection with Lincoln and vice versa. Uncle Mark, we love you and will always miss you. Until we meet again! Love, Beth, Warren and Lincoln Healey

“ Mark was there to help no matter what. He loved his faith family and friends. I remember him last Christmas venturing out to an all girls ornament party when a Dianna couldn't come. Or when he set up tailgates at Verizon parking lot for 4th of July. And may holiday parties and Osu games he was always fun and willing to help. Great man great memories great role model
