

## Mark Keathley

December 4, 1963 - June 13, 2023

Mark Keathley 59, of Columbus, Ohio passed away Thursday June 14, 2023 at his home in Webville Kentucky. Proceeded in death by his brother Mike Keathley. Mark will be deeply missed by his Fiancé Paula Perkins. His parents Burley and Carolyn Keathley. His brother Shawn (Misty) Keathley, sister Sheila (Mike) Sigman. His kids Chris Atwell, Angie Keathley, Alicia (Jake) Miller, Marky Keathley and Terry Keathley. Grandkids Christopher, Katie, Gage, William, Chase, Kristofer, Kristian, Jacob, Jaydan, Jace. Great grandkids Connor, Carson, Ellie, Kai and Nieces and Nephews. Mark was a hard working, simple man who never needed much. His greatest accomplishment in life was his kids. He was a great and loving dad. He would do anything he could for them and all his family and friends. Mark lived life to its fullest, with no regrets. The life of the party and most honest man you will ever meet. Whether it was playing cards, going to concerts, having a drink with music as high as it can go and doing crazy stuff, Mark was the reason it was always a time to remember. He calmed down a little, the past couple years but don't think if you dared him to do something crazy he wouldn't. Our hearts and lives will be less full without him here!

“ *Ellen and I are deeply sorry at Mark's passing—and deeply grateful to have known him. Over several decades we have benefited from his careful and imaginative work on so many projects, large and small, on our previous house and our present one. Even more, we have benefited from knowing him, and we'll miss him, as we know his family and friends will. Our condolences to all.*

“ Murray and I thought the world of Mark, as we do his brother Shawn and father Burley: we have valued their integrity, their kindness, their unfailing willingness to help others, their friendship of over thirty years. Everything Mark created with Shawn and Burley was perfectly crafted: Mark was an artist and his work always beautifully exceeded whatever we had envisioned. We are so thankful he came with Burley to see us just two weeks before his death. We cherished Mark and are profoundly saddened by his far too early death. Our deepest condolences to all his family.

“ love you daddy, I miss you so much thank you for always making sure us kids had an amazing childhood, I have so many memories, going camping, fishing, old man's cave, riding horses, race tracks, I found my love of fast and loud cars with you, I've never been a prissy girl never scared to get dirty, touch worms and fish, I thank you for that. I know the most important part of being a parent is creating memories because of you. I promise to get out and create them with my boys. I'm so happy you got to see me through all my adult milestones, getting married, having my boys and buying my first home, I know you were so proud of me, I love you so much dad. Love Alicia

“ I remember when I wasn't able to go to his wedding when I was in the hospital. They came up to see me dressed in there wedding attire. That meant a lot to me because I couldn't be there for the wedding. I remember the late night parties at his house, the camping trips and him always working on his cars. Mark was a really great guy and will always be my brother-in-law. Prayers to the whole Keathley family.
