“ *To Mark's family and friends, please accept our deepest sympathies and heartfelt thanks to a very honorable man. My husband and I were so sad to hear of Mark's passing. He was a tirelessly dedicated defender of life and I was blessed to work with him several years ago on the board of ORTL and as a chapter president for many years. He was always available for counsel and was the one true constant at ORTL. He was full of integrity and his willingness to work continuously to get the job done will leave big shoes to fill. I truly believe he will hear "Well done, my good and faithful servant". We'll miss you, Mark, you will never be forgotten. Mindi (& Richard) Arnesen, Lancaster, Ohio*

“ *We were sorry to read of Mark's death. Both of us are active in pro-life activities and had the chance to speak with Mark on several occasions. We were impressed with his dedication to the preborn, as well as his intelligence. But we expect that of all Rosary graduates! Jack, I was hoping to get to the funeral home to chat with you and catch up on what's going on in your life, but we are leaving this afternoon for a 10-day pilgrimage to the Holy Land. We'll keep all of the family in our thoughts and prayers.*

“ *All accolades are understated. Mark was a tireless and effective advocate for the unborn. A meek and humble man, yet a strong and powerful voice -- in front of and behind the scenes. The countless lives he saved and enriched are known to God. Mark, we miss you, but your reward is now complete.*

“ *I was taken by surprise and so sad to learn of Mark's death. I've had the privilege to work with him on ORTL PAC for many years. His institutional memory and insight on elected officials, candidates, and legislation was invaluable and will be greatly missed. I admired his dedication to the cause of life. He was always so kind and such a gentleman. Rest in peace, Mark. I will never forget you. Jana Morford Widmeyer, Cincinnati, Ohio*
