I didnt your daddy personally, I used to sell cars too. The part that touched my heart was your beautiful tribute to a man of obvious charity & compassion as validated by your love for him, he was a full donor & by his favorite charities. I am a blessed by the miracle of 2 kidney transplants lover of life. Your wonderful father not only gave you life, but by his donor status he has given the precious gift of life to a minimum of 7 potential recipients! Your father is a hero in every since of the word & wanted to say thank you on behal of the other recipients & their families. Im certain his blessings are many for lives he blessed here. May our Lord's grace bring you joy when he greets you one fine day with that big bear hug & healing of your broken heart till that day. Thank you Lordfor tjis precious man & his heart felt selfless generosity toward others. Peace be with his family as they heal, in our Lord's lovely name... amen.
