“ *I have taught music at OSSB for 10 years. I met Mark when he was playing for ballet classes in Grandview years ago, then connected with him again at OSSB when he came to speak on Career Day. He played the Carillon Bells at the Alumni Reunion and was astonishing. His arrangement of the Alma Mater will remain in the carillon library and will be appreciated for years to come. I also play his arrangement using the CD in my music classes. Mark lives on through his music. My sympathies go out to his family and friends.*

“ I was in Mark's class when he attended the school for the blind IN columbus and kept in touch with him on and off after he left. The buckeyes don't realize it but they have lost a big fan. He never missed a game. His talent was amazing and my husband recently got to enjoy playing the piano with Mark. He says reunions will not be nearly as enjoyable for him now since he doesn't know too many folks and has lost his jam partner. All of us in Mark's class remember our big pretzels from you Mrs. Sopp. OUR prayers are with you and we truly hope that you will keep in touch with all of us. You have touched all of our lives with your kindness and if it had not been for Mark we would not have known you. YOU were the warm fuzzy mom we all missed when we couldn't see our own moms. Thanks for being there, and thanks for giving us Mark to enjoy while he was here. He truly was different and swill never be forgotten.

“ I met Mark when he was a piano student of my father's. I used to enjoy running into him on the OSU campus when we were both in school there. I will always appreciate the kind thoughts he expressed when I saw him at my father's funeral. Please accept my condolences on Mark's passing.
