“ *The name "Musick" caught my eye in the obits. Jim was our two son's band director at Groveport Madison. He was a wonderful director, a fun and caring teacher, and both our sons REALLY liked and admired him as a teacher--- and person!*

*Jim, we are so sorry for your loss. From these comments, your sister must have been a fun-loving and wonderful lady. You have our sincere sympathy. Sincerely, Jan Linker and family*

“ *To the Musick Family . . . I loved Marlise. I think you will be hearing many people say that over the next several days. She was very special and it was a joy to be around "Daddy's Girl". I remember when I used to play music for her and I would "dance" a little bit with her...sometimes she looked at me like I was crazy! But most of the time, she laughed and laughed and sometimes even sang along.*

*When she threw her stuffed animals on the floor, she would laugh so hard when someone bent over to pick them up! Then they would hand them back to her so she could reach them and she would wait until she thought no one was looking. Then boop! She would throw it on the floor again for someone to pick up again. And then laugh. We used to play that game often. She could watch that and laugh out loud about it all day. Sooo funny!*

*I am so sorry for your loss. I know how much I will miss her, I just can't imagine how much YOU will miss her. I take comfort in knowing that, at long last, she is with her daddy again.*

*Most Sincerely and with Much Love*
