“ *Marsha and Kent were good friends who always were warm and friendly people to many. Spent many good times in their Clintonville home in the 70's.*

“ If I may speak for myself and the staff at Windsor Elementary, we were all shocked and saddened by Marsha's passing. Please know that I enjoyed our chats after school. While we did not know each other for that long a time, she was a delightful and vibrant woman who will be missed sorely.

“ Dear Kyle and Kim: Our hearts ache for you both right now. I am just incredibly sorry to hear about your unexpected loss, Kyle. As unbelievably hard as I know it was for you to be there, know how lucky you are to have been able to hold her, comfort her, and shepherd her through to her end. That will mean so much to you as you reflect on her passing later in your own lives, once the pain is not so raw. You are in our thoughts and in our hearts, as you are with so many who love you and love your mom; perhaps you can find some comfort in that. And know that here in your new home in NC, we stand ready and willing to give as many hugs as you need and to listen for as long as you need - or to just step back if that is what you need. I think I can speak for most, and probably all, at ERCS in that we stand waiting to help ease your burden to whatever degree is possible. Just know we are here for you and you can call on us for anything, at any time. (Also, Kim, Silas wanted to say he misses you, and he is looking forward to the next time he sees you (whenever you're ready) and is able to give you a big hug and kiss as your newest 3-year-old Middler!) I am sending hugs "virtually" to both of you, for what small degree of comfort it may bring. Please take care of yourselves and ensure the rest of your family is doing the same. Our sympathies are with you - Holly, Kendall, and Silas

“ Dear Marsha Moore Family, Marsha and I had a lot in common. That is why we connected so as friends and colleagues. Our first and middle names are the same... we are both the same age.... graduated from Westerville High School...and taught in the same program for the Columbus City Schools. Marsha was a sweet and kind person and will be missed. I will never forget the caring, loving card and letter she sent me when my mother passed away just this February. She was always thinking of others. Her kindness meant a lot to me. Marsha was an excellent teacher and her wonderful smile and personality will be missed in our Gifted and Talented Department. May God bless you and your family. Sincerely, Marcia Lynn Conley
