“ *Virgil was Steve's best friend on the USS Frontier while in the service. They shared so many jokes and pranks as you can imagine, they were trouble together. They remained friends until his death. I met Martha and Virgil about 10 years ago. We had the opportunity to spend time with them in their home and especially there home away from home in Florida. Steve and I shared so many fun times and laughter with the two of them, they were characters. They will be sadly missed. Love Steve and Linda Cripps.*

“ Marty , Virgil, Chris and Scott were truly the all American Family!
Lots of fun and lots of love. Marty and I were the exact same age,
we started our families a little later than our
Classmates. We both felt very blessed and shared many hours of
parenting research!

Virgil enjoyed every aspect of fatherhood; the diapers, feedings, and
school activities.

Whenever we talked he had a funny story to share about the boys.

Marty opened her house and her heart to all the boys friends . Every
one was welcome

In their home. Virgil enjoyed entertaining the crowd. He loved an
audience for

His corny pranks and jokes.

They didn't even get upset when I gave the boys fireman hats with
sirens and flashing red lights on top! Marty hid them in the top of the
closet , but the boys found them!

Even Marty had to laugh when they came in wearing them!

Virgil and Marty's love and devotion was a wonder to behold! Their
absence from our family circle is very painful to consider! Knowing
them and loving them was the easy

Task. Letting go of them will take much time and prayer.

RIP my beloved Brother and Sister-in-law!

“ *My heart aches, hearing of the Marty's passing. Such a fabulous, thoughtful person. Scott, Chris, and family, my deepest sympathy. Marty was so proud of her family. I worked with your mom at the clerks office and had an occasional lunch meeting since then. Marty will be missed. I'm proud to have had her as a dear friend. Rest in peace, Marty. Love, Charlene Martin.*
