“ *I'm the Teapot Lady. Martha won a teapot at Linworth's Linworthy's silent auction, however the finish of the back side was damaged .She was dismayed and I told her I thought I could make it look presentable. She let me take it and I painted a straw hat that Martha was noted for with a spray of forget-me-nots in blue on the brown pot.*

She was overjoyed and I felt it was a nice tribute to Martha. She will not be forgotten by her many friends and loved ones.

“ My deepest condolences to the Storer family on the loss of Mrs. Storer. We were longtime neighbors and friends on Case Rd. and I have fond memories of our families being together. Mrs. Storer had the best garden on the street and was always especially sweet to me....being one of the few little girls in the neighborhood. My thoughts and prayers are with your family.
