“ *Marvin was the best neighbor a single girl could ask for. He really looked after me ... shoveling my driveway, taking in my packages, filling me in on the latest gossip. Some of my favorite memories are of standing in our driveways, talking about his latest trip to Florida with his buddies, the golf clubs he was making in his garage, the raccoons that ripped out his ventilation fan and made a home in his attic. I'll miss him teasing me about the fact that I had to go to work while he was about to hop on his bike for a leisurely ride. I'm gonna miss all that. I'm gonna miss my neighbor.*
