“ *It was just last month that Carolyn & I stopped in to see Mary Ann! I am so happy we did! We enjoyed our visit so much! She had us get her Photo albums out and was showing us all the pictures of her, Rose, & Mother when they were young girls! I will always cherish that day. It's in my memory forever! I am sorry she's gone, but so happy she is with her loved ones again! I know Mother was happy to see her again! Sending you all my deepest sympathy and love!

“ Along with the rest of the Whalens ... and Blackmans ... we send our prayers and fond wishes to Anna Marie and family, Paul, Kevin and Mark. But we also rejoice for the great friendship that began on a fall day at Holy Name School in 1926, and ended only the earthly part of its run with Mary Anne's passing.

As surely as the beautiful millennial moon lit up our night sky this weekend, Rose and Ann and the many others who treasured Mary Anne in this life were there to welcome her to a new life where worries and illness and physical limitations are behind them all ... and the deck is already shuffled for that first hand of euchre.

We will keep her, and you all, in our thoughts -- along with the stories and photos and shared memories from eight decades of a friendship for the ages that will always link our our families in the best of ways.
