“ *Marcella and I were Amateur Eschman Genealogists and cousins of the best kind. We shared much information regarding our common ancestors! I loved her as much as if she were my own sister! She shared much information regarding the "Photo" family (her mothers) and she even was able to show a passport for our great, great grandfather John Schadlbauer who was buried in Warren St. Mary's Cemetery in 1912. His grave later washed away in the big flood of 1913. I remember fondly Marcella's husband Edward Fagan and I followed his footsteps at St. Joan's joining the AA meetings! I wish to offer my sincere condolences to the entire Fagan family.*
