“ *Mary Ann Fergison*

“ *I visited Mary several times over the past years at Sarah Moore and what a time remembering our past we had. She told me several good stories of her past with husband George and "he better not be with his first wife up in heaven" when I get there. We always broke out laughing and sharing other memorable stories of our past. She loved jokes and really like the TV show called "Better Late than Never" with Henry Winkler, Terry Bradshaw, William Shatner etc., we always called one another the next day.
I will miss calling her and visiting her. I'm so glad lo have known her.*

My deepest sympathy to her family
