

Mary Frances Sciulli

December 18, 1937 - February 18, 2019

Mary Frances Sciulli, 81, passed peacefully on Monday, February 18, 2019 surrounded by her family. She was preceded in death by the love of her life and husband, Robert R. Sciulli, Sr. in 1983.

Her parents, Frank J. Sweetall, Sr. and Mary V. Connelly Sweetall preceded her in death as did her six siblings; Jack J. Sweetall, Robert B. Sweetall, SFC Donald W. Sweetall, Muriel Flaus, D. Rowene Buttlar and Audrey McGrogan.

Mary Fran's life was devoted to the Lord and her family. She is known to her grandchildren as Grammy, Grams and Kind Soul. She was happy to share her joy of life and love of the Lord and she lived her life as an example of this to all she met.

"Frannie", as her Varsity Cheerleading squad knew her, was proud to have been the Secretary of her Dormont High School Senior Class for over 60

years. As a member of the Worthington Seventh-day Adventist Church she served in many roles. This included Pathfinder Director, Elder and Sabbath School teacher. She thought every event needed cookies and she was happy to bake them. She was active in the Worthington Hills Civic Association for 50 years. She proudly worked at Affiliated Dermatology for 36 years and continued to work part-time until her death.

Mary Fran Sciulli lived her life in service to others. She was a devoted wife, mother, sister, aunt, grandmother, great-grandmother and friend. She did not fear death. Her faith remained strong and she passed knowing that the next face she saw would be that of her Lord and Savior when he returns to take his faithful flock to Heaven.

“ *My prayers go out to the entire Sciulli family. MaryFran and I became very close when I was working on poems for all the reunions of the class of 1955. My sister Jerry went to school with her. She would give me info on all the news of her classmates and then let my poetic talents go into action. I will miss her greatly. My only hope is that I will someday be with her in heaven. J D Walsh*

“ *Mary Fran was my first friend when we moved to Dormont. She lived across the street and was part of the gang on Alabama Ave. Ray Smith described in one of his books how we hung out in the way teenagers do, not doing much but enjoying being together. She is a vivid part of my memories and I was lucky to know her. Gretchen Huecker Flynn*

“ *I always enjoyed talking with Mary Fran. She had a way of making you feel like a million dollars. I remember she used to say “nothing ventured, nothing gained” No truer words were ever spoken. Michael Mcgrogan*

“*My sincere condolences go out to all of the Sciulli family. Mary Fran was a special person who was a pleasure to interact with no matter what the subject. The love she showed for her family, moral compass and the genuine concern for others was just great. The birthday email exchanges, the conversations with her, especially at the fish fry, the "secret" cookies she always brought me and the updates on her kids and grandkids all made the visit from Mary Fran and the Sciulli family very special. I'm going to miss her too and will keep all of you in my thoughts and prayers.*

“ Sweet, Tom Tom. You have had such a positive impact on so many lives! Including mine. During a scary time for my sister and I, you stepped up, without missing a beat and took us under your wings while Dad was in ICU. We spent so much time with you and I cherish every moment. Every memory. You never lost faith in me. You believed in me. And, praised me every chance you had. I love you more than words. You will be dearly missed.

Love,
Penney Lynn

“ *Mary Fran was a dear friend of mine. There are so many incredible stories I have where she affected my life with her love and kindness. Whenever I needed a friend the most, she was there. My heart is heavy, but know I will see her again. My love to her sons.*

“ *I live on Oakview Drive and have known Mary Fran since we moved here in 1984. The Fourth of July picnics on Hickory Ridge were always more fun when Mary Fran was there. She really cared about Worthington Hills and was involved over the years in many neighborhood activities. She was a loving, caring person whom we all will miss. Barbara Miller*

“ *My heart aches as I think of my dear friend's passing. Mary Fran was the best of the best....kind and generous beyond measure, made everyone feel loved and special, loved being silly, and her family was everything to her. The times we shared will be cherished forever and she blessed my life in countless ways. My love and sincere sympathy to her beloved family. She always beamed when she talked of each of you. Praying for the comfort and calm God will provide, and that He will remind you of the blessing she was to you.*
