“ *Marianne ... Sending condolences, love & hugs to my ole' Bishop Ready schoolmate, in the passing of your Mom. Indeed, you were blessed to have her for so long, so I know you have many memories to last a lifetime. Between her career, volunteer work, faith & hobbies, your pride in her life so well lived must be endless. With my beloved memories of countless hours spent in Lazarus through the years, undoubtedly, myself & the shopping addicts of Columbus owe her a debt of gratitude for her role in . "our" Lazarus ! I am happy to see you have plenty of family to support you. I'll be thinking of you & praying God will take good care of you during this rough time. Take care of yourself Sweetie.*

“ Marianne and her husband were residents at Dublin Retirement Village when I was there as front desk manager. No matter what the time of day or night whenever I would see her in her beautifully coiffed hair it would put a smile on my face. Even after her husbands death and Marianne moved out, I remember her weekly return trips to get her hair done. It was the highlight of my day when she was dropped off and then picked up and I was able to give her a hug and kiss and walk her out the door. I will miss her very much. She was such a “Class” act.
