“ *To the family of Mary Beth.
We grew up going to Girl Scouts, 4H and church together. As I sit here pondering how fragile life is, through my tears I want to remember her as a good childhood friend and my classmate at Martins Ferry High School. She was sweet, smart and charming and fun to be with. How sad that we all go our own direction after graduation and many of us do not meet again until this happens. Rest in Beautiful Peace Mary Beth.*

“ Not a day will go by for the rest of my life that I won't miss you or think of you Mary Beth. You gave me the gift of your son, and our marriage is a reflection of the love you always showered us with. I learned so much from your no nonsense approach to dealing with the difficult times in life. Your sense of humor was contagious and you were always one to speak the truth. What I will always hold close and remember will be your interest and love for gardening, flowers, traveling, the Arts, your beloved cats, and most of all your eternal and steadfast love for each member of your family. I cherish the many visits and the hours we would spend talking. You were never in a hurry if family was nearby. We always had time to stay in our jammies and talk until noon. Thank you for teaching me to slow down and enjoy life. I love you MiMi. We all have a guardian angel watching over us now.
