“ My heart is heavy for all your families as I write this note. I just found out not even an hour ago that she has passed away. Molly was a generous, loving and faithful friend. She could make anyone's day brighter just by being in it. I hold many fond memories of late high school and early adulthood years with Molly as she was one of my dearest friends. She was priceless. I am so sad to know she is gone. I will be thinking of her and all of you for many days and months to come. May God fill your heart with many memories of joy and laughter; for that is what she gave to everyone. Fondly, Katie Kray Johnson

“ Phillip and Stevenwords may fall to the ground during times of such heartache and sorrow, but please know my prayers are with all of you and your family. My sister Kate met Molly at Bishop Watterson soon after we arrived in Columbus in 1976. They became fast friends and over the next few years, I too, came to know Molly as a friend. She often said I was the little sister she never had! I have many fond memories of Molly. Her spontaneity was infectious and some of my most memorable High School moments include carpooling with Molly to BWHS in your Mom's Chevy with 3 on the tree; frisbee at Whetstone Park; her presence at the final evening of my TEC weekend; Mass every Sunday at OSU Campus Chapel; "Yes' and "Genesis' concerts as well as just hanging out on the weekends watching TV. Many years have passed since I last saw Molly, but I have always considered those days as some of the craziest yet most precious days of my life - partly because they were shared with her. Peace Molly love Sue

“ *Although I did not know Molly personally, my sister Rhonda Sheely always spoke so kindly of her and told me what a great person she was. They were such good friends. I know she will be sadly missed but I hope there is comfort in knowing she is resting peacefully in the arms of the Lord. My condolences, Rachelle (Sister of Rhonda Sheely)*
