“ *Our thoughts and prayers are with the family. We will miss Gene terribly. Gene and I were both animal lovers and when she was not able to have a cat of her own, she would help us love on the kittens that we rescue. There will be a void on Thursdays.*

“ A friend of mine once said that when you lose your mother, you lose your greatest cheerleader in life. Tom, you and all of your family are in my thoughts and prayers. May your mom rest in peace in the arms of God.

“ My sincere condolences to Gene's family as you honor her memory. I knew her from the day she first started working at the Worthington Library, and I always enjoyed seeing her at our monthly lunches for "Worthington Alums" before I moved from Ohio in 2005. She was a kind, loving person and I hope your many memories of her will help to alleviate your loss. Katherine L. Haines Raleigh, NC

“ I remember Aunt Gene always laughing about something when we came to visit on Memorial Day weekends or trying to contain the dog/cat. Those were great visits for all of us - we kids were shooed outside, or upstairs or downstairs while the grownups did "whatever" boring stuff grownups did back then. I was sorry to hear the news of her passing.
