“ *Mary Lou was a faithful member of our early morning Sunday Bible Class for many, many years at Gethsemane Lutheran Church. She was a quiet, sweet person who didn't say much but was insightful when she did. We will miss her laugh and smile as we already have since her inability to join us the last couple of years. When called, she never complained and was a joy to know. May memories of her be an inspiration for her family and other friends. She and God loved each other.*
