“ *To: MaryDell's family,*

My first time seeing MaryDell was in the graduation day that took place at Brookhaven High School football field, her oldest son Bill was a classmate to my sister Bev Blausner (Langner), sat behind us but down a few seats on a very hot day with the sun beaming straight down on us. Five years later, right before I became a member of Maize Manor UMC, we started to know each other and the rest is history.

What a wonderful choice to meet for the first time at their jobs at Nationwide Insurance. What a small World, the same place where my dad found his first two wives at for the same reason.

May she Rest In Peace knowing her husband and siblings were waiting for her to come home at Heaven's Gate.

“ My heart was saddened to learn today of Mary Dell's passing, but happy for her newfound rest and being united with her love, your dad. I had to smile when I thought of the laughter and celebration that was enjoyed by them. I will always remember her soft spoken, kind voice and quick smile, just as I remember your dad's energy and smile. They were both such a treasure to our family. Sending our love, Sharon (Wollam) and Tom Burch
