June 28, 1924 - September 10, 2024

Mary Alice Brown Rheinscheld was born June 28, 1924, in Logan, Ohio to Fayette and Frank Brown. She and her sister, RoseAnn grew up in the small city of Logan surrounded by extended family. She graduated from Logan High School in 1942 and attended Ohio State University. She got her dream job at a local newspaper after college, only leaving it to get married to the love of her life, Floyd Rheinscheld on August 1, 1945. They raised two daughters in Worthington, Marcia (Jim Carsten) and Linda (Jim Wolfe). She had four grandchildren, Justin Carsten, Lauren Carsten, Jason Wolfe and Timothy Wolfe and seven great grandchildren: Abigail, Michael and Alexandria Carsten, Christopher and Patrick Wolfe and Molly and Ryan Wolfe.

Mary Alice loved people. She never met a stranger. She could coax the life story from anyone she met. She adored parties and loved entertaining her large circle of friends and family. Her infectious laughter floated through all of her wonderful parties. She was the family storyteller and the steward of the family history. She and her husband were avid bridge players. Mary Alice was always the first one to help anyone in need. She was the primary caretaker for her mother for over 37 years. She and Floyd loved to golf and were long time members of the York Country Club. She and her husband were true soul mates for 67 years. Her 100 years was a life well lived!

“ Marcia, Linda and families: we were saddened to hear this news but so blessed to have her for so long. She was a loving, fun person and her presence was always a positive note in the day. Health issues keep us from joining you for at Mary Alice's house for one last visit but we will be there in spirit. Thinking of you and sending our love.
