“ *Jim; I was so sorry to hear about Gale. I have been remembering all the good times we had at Fairview during football season, and what a happy and friendly person Gale was, and also remembering some times during our days at Wesleyville. Please pass on our sincere sympathies to kids also. We pass through Columbus often since our daughter and her family live in Indianapolis. Give me a call some time. I would love to see you and spend catching up. Our number is (814) 833-1460. Our thoughts are with you, Rick and Linda Graziani*

“ *Hello Jim and family. It's been many years since we've seen one another. I still remember Gail's smile and how she was always nice to me when I was a boy. I'm sorry for your loss.*

“ Dear Tracy and Jim I was so sorry to read of the loss of your dear Mother. Although I never met her, I am sure that to have such special children, she must have been a special lady. You are in my thoughts and prayers at this sad time. Francie Kaufman Columbus Medical Association

“ Jim and family, I am so shocked at reading the obituary in the Dispatch. I still remember that evening you and Gale came over to my house to have some wine and was wondering about inviting both of you again this summer. I am so sorry to hear the sad news and will always remember her laughs while we were joking about our lives. Sympthany and condolences to the whole Schiefferle family and especially to you Jim. With sympathy, Kris and Tunc Aldemir.

“ Dear Jim, Aunt Elsie, Diane and all the children and grandchildren. We want you to know that Gale was a special person to all. Jay dearly loved her and they could talk for hours. In the last few years they talked often. The day she called with the news that "we weren't Swedish, we are Finnish" still gives me a big chuckle. She had such great wit, intelligence and was one of those people you just felt good being around. She was so bubbly and effervescent it always left you feeling the same way. May you all know that we deeply cared for Gale and our hearts and prayers are with you tonight and always. We are just a phone call away and if you ever need to talk we will be here for you. And you all have an open visitation to come visit with us. Love and deepest heartfelt sympathies on losing this lovely wonderful lady. She will be in heaven with her loving Dad's arms around her.
