“ *Dear Scott and Bret- Sidney, Ohio was a better place for 9 years because your family decided to be a part of our community! I took Judo lessons from your dad, he was my trumpet teacher and I replaced him in Paul Fitzwater's Keynotes when you moved away. I always will remember the warm welcomes I got at your Sidney home. We sent a donation to the Life Care Alliance in your mom's name. God Bless your parents! Bill Ross for the members of the Sidney High Alumni Band*

“ I was married to one of Marynelle's nephews for 22 years. She was an amazing woman. She had been through some tough times, but she just kept going. I admired her tremendously. She loved her family, her dogs, and of course her hats! My condolences to the entire family. She will be missed.

“ Marynelle, my dear, sweet friend, because of you, I have had the most unconditional love in my life for over 40 years. You saw that I was never without one or more of your precious Maltese to nurture and love. You have given such joy to those of us who were blessed and privileged to have had your "babies". We will see you at The Rainbow Bridge. In the meantime, we will miss you.

“ I am a classmate of Marynelle. As our names were alphabetically close in high school we usually were seated in the same vicinity in our classrooms. I can remember how much she was in love with Pete who was the first chair trumpet player, while she was a majorette in the Marietta High School band. My sympathy to the family.
