*Dear Kinkopf family-- I'm so sorry to hear of Masons passing. I'm deeply saddened. As his seventh grade English teacher I have so many wonderful memories of his humor, talent, & gentle nature. He was always willing to help others & lift their spirits. I was especially honored to have him stop by often after his classes at the high school to keep in touch. You will all remain in my thoughts & prayers.*

“*Mason's Celebration of Life Mass truly exemplified Mason as a boy, son, friend and young man who enjoyed life, truly a man who loved the people around him. I can only imagine how he keeps those angles in smiles as well. It was a pleasure to know him through his family and pray someday we will all know why he was taken from us so young. “ Dear Wendy, Chuck, Mackenzie and Tyler, My heart breaks for the loss of your beloved Mason. I loved his ability, from an early age, to converse intelligently and with humor with my dad, Bill Jones. I know they enjoyed each other tremendously. The first time I remember meeting Mason, he introduced me to Google Earth, in the first year it was introduced to the public. He was researching Stonehenge for school and he traveled there virtually at the age of 10! I knew then he was a special kid. Hugs to you all. Love, Bambi and Tracy

“ Dear Kinkopf family,  
Mason was a wonderful member of the Orange Orchestra bass section and I am thankful to have been blessed to have had the opportunity to have worked with him for eight years. Our orchestra took a moment of silence to honor Mason's memory this week and many of our upper class members have shared fond memories with me of the years they played in orchestra with Mason. Mason was kind, gentle, witty and always polite. He was a gentleman who could make anyone in our ensemble smile. I know that fond memories of Mason will forever fill the hearts of those whose lives he touched. May your family find peace to heal and strength to get through the tough days ahead.

Sincerely,

Rebecca Ellsworth and the Orange High School Orchestra

“ Wendy, Chuck, Tyler and Mackenzie, no words I can say can comfort you. We have so many memories of when he stayed with us I cannot even begin to write down. He felt so "tall" in our house haha and enjoyed when I made gluten free meatloaf for him. The practical jokes he and Robert played on each other and nerf gun fights when they teased Samantha. His impersonation of Henry cracked us up. He loved Buster and Buster loved him (he snuck in Mason's room to steal food). You know that he will be with you everyday and we pray your heart will heal. God Bless Him!

“ We drove out to Ohio from NH to visit my Ohio family, Mason took my husband and I to their gym, we worked out and climbed the climbing wall. I remember being so impressed with his drive for fitness. After, we went to lunch just the three of us and I was able to get to know Mason on a different level. Before that day I knew him as my aunt Wendy's kiddo, my Cousin but Mason had so much to offer, what an amazing person he was  
I can't express how blessed I feel for having spent those hours with him. Living far away I didn't have the chance to get to know him as much as I would have liked to. My Aunt Wendy and Uncle Chuck did an amazing job of raising such a kind and gentle person.

*I love you Mason and you will always be in my heart. I hope that my boys grow to be the man that you were. Aunt Wendy, Uncle Chuck, Kenzie, Tyler, I love you guys so much.*
