“ *Mr. Davies was my dentist when we first moved to Columbus, Ohio. I remember going to appointments when his office was located on the second floor of the corner building at North High Street and East 17th Avenue. He made the appointments bearable and his technique of jiggling your cheek before giving you novocaine worked. Always a smile, or a friendly fatherly serious look if necessary. I know that we will meet again in Heaven because he wasn't shy about sharing his faith.*

*I owe far more to Matt than I can express here. God put him in my life at such a pivotal time and I would never know Jesus as I do without his generosity. I hope for the opportunity to share much more with his family someday. He is Sainthood at its very best.

“ *Dr. Davies was an amazing dentist, kind, knowledgeable, and well known by his peers. I first went to see him in the campus area office and continued to the clintonville office. He helped me during several emergency pain/root canal situations on weekends. Sad to see he is gone! Marna and Jack Beatty*

“ It was with sadness that I read of Dr. Davies death. I was a patient of his for many years - dating back to his office at 17th and High Street. He was an excellent dentist and I came to know him over our many years of dentist-patient relationship. My deep sympathies are with you and the family will be in my prayers.
