Matthew was born in Lima, Ohio on June 27, 1986. After serving a tour for the United States Military in Iraq, Matthew moved to Cincinnati where he attended Cincinnati State. There, he met the love of his life: his beautiful wife Christa

singing choir for the Cincinnati State Choral. They married December 29, 2012. On May 8, 2013, Christa and Matt welcomed their amazing daughter Melody Cecilia-Day to their lives. These two were the most important parts of his life.

Matthew enjoyed music, singing, and a relationship with Christ. He was an avid fan of the University of Michigan, the Cleveland Browns, Boston Red Sox, and Tottenham Hotspur. “ *I have known Matt since he was about 8 years old, his family attended All Shepherds Lutheran Church with my family. He was a year older than my son Matthew and sometimes they played together on the playground at Sutter Park Elementary school. I was a parent volunteer and had the privilege of serving in Matt's 3rd grade class. He had an amazing voice and sang in our All Shepherds Christmas Cantata in 2004. I'm so happy for Matt that he realized his dream of serving his country in the armed forces and he had a beautiful wife and daughter. Matt, you are singing with the angels now. I love you and I'll be there for your funeral tomorrow. With Love, Laura Anthony*

“ *I am fortunate to have known Matt. Matt loved Jesus, and wanted to know Him more. He gets to walk with Him now. I know that Matt's legacy will live on in the lives of those who knew him. Looking forward to singing with him in Heaven...what a voice!*

“ There was so much to love about Matt; he was warm and kind and gave the best hugs. Vern and I loved to hear him and Christa sing at our church and watch him play with Melody. He will be greatly missed by all who knew him. We are praying for his family that they will be consoled by the loving care of God our Father.

“ Mat was a favorite candidate in St Bernard Church RCIA. I treasure the time we spent discussing religion and spirituality. I am so happy he came to our fish fry last summer. His love for Melody was obvious.  
I will always remember him.

I liked talking to Matt. I saw him next to the cafeteria playing football with other students. He was a talented athlete.
