“ Nanny was the absolute greatest grandmother anyone could have. One of my favorite memories was how she and Grandad would so proudly tell any willing ear of the accomplishments and actions of her kids, grandkids, great-grandkids, and extended family. The magical expressions of joy and love that radiated from her beautiful face will forever be etched in my memory. The first time she saw her baby Maxie (great-granddaughter) was more special, for me, than any other moment. There are no words to express the feelings when seeing the pride that filled her eyes; and when she held Maxie, she just never wanted to let her go. I am so blessed to have had almost 36 years with this amazing woman. She taught me so much about the love of family and the importance of accepting everyone for who they are; flaws and all. It hurts so badly to know that I can't talk to her anymore, but I know she now has no pain and is with me every moment.

I love you Nanny... forever and always.
