“ *Maxine was my great aunt. She was a wonderful woman. I love her so much. She will be missed dearly. Her living path has ended, but her voyage has just begun.*

“ *Visiting Maxine and her family growing up, have been some of my happiest memories. I never got tired of talking with Maxine, she always had something interesting to say, I liked the way she snapped her fingers and called everybody cupid, no matter what their name was. I know in heaven we will have wonderful bodies and we will be known as we are known on this earth, I think its great everyone gets to keep their personalities because I loved Maxines. Enjoy Heaven forever.*

“ *Maxine was so special to me and my whole family. She has been a part of us since we met 1965 i believe. Our hearts feel broken but i know if anyone is going to heaven she is. Maxine taught us as young children about Jesus and would always let me squeeze in and stay with her family even when things were very tight. She Always trusted GOD and taught us to do the same. It is truly a comfort to know that she rests in the arms of the lord now.*

I am trying to be grateful for all of the things you have given me and know that you are at peace, but my heart has not recieved the message. Grandma you are amazing and heaven is lucky to have you. I love you and will miss you always.

“ To my grandmother that has words of wisdom and faith in our lord Jesus Christ. I do believe and know there henceforth a crown of righteousness in the heavens above for you. You have passed on generations and generations of moral values and I thank you and will always have you in my heart. I feel privileged and honored to have you as my grandmother, I am one of your 15 grandchildren and have one of your 17 great-grandchildren. I am your baby's baby and again feel privileged and honored to have you as my grandmother. I love you and will again always have you in my heart. Mark 16 says he that believeth and is baptized shall be saved, but he that believeth not shall be dammed. Signs may cross them, but if they drink anything poisonous it shall not hurt them. Thank You, Mama Ross. Love your Baby's Baby!

“ MOM Mom a girl who was from West Virginia who loved her country roots. Who was a Daddys girl but had to give him up at age 15. I remember a mother who kept everything sparkling clean. I remember a mother who took me to church and lived a clean life. I remember calling you for advise because it was always better then mine. Even though your body was frail your spirit was always strong. When I looked at you and said mom do you still love Jesus you said to me "I love every bone in his body". Mom you didn't give in. You didn't give up. No soldier ever showed more strength then you did when you faced the advisory. You said you wasn't given up till the last soldier went over the hill and you didn't. To me you were that last Soldier. Love your Holy Ghost girl Patty Payne

“ My thoughts and prayers are with everyone in Maxine's family in your time of grief. May your memories bring you comfort. As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. What I knew of Maxine through my sister Trish and brother n'law Jeff, she was a very spiritual and faithful woman of God and knew where she was going in the end. God Bless all of you.

“ *What can you say about a woman who sacrificed her whole life for her faith and her Children? We as people can only hope to come close to leading a life as pure as she did. Cort Blankenship*

“ *My grandmother, I remember when she asked for us to go to church and then go get a sandwich. She was so simple, but fun. She loved her garden and I helped plant it. All she wanted was her flowers and that made her happy. She called me her princess. She never left one kid out of any event. She loved all her grandchildren. She lived by her faith and bible and wanted her crown her whole life and was faithful to her Lord Jesus Christ and stuck to her moral values. Love Shena and Trinaty.*

“ *I know my grandmaw loved me because we used to sit face to face and talk with each other. When she passed away I knew that she was in a better place walking and i knew that her soul was with god because of all of her faith. Now I just look at the clouds and picture them moving and her flying above us as a new angel, and i talk to her and i know that she can hear me because she allways listened to me so why not now. Love you: Destiny simmons*

“ *THE LORD IS MY SHEPHERD The Lord is my shepherd, I shall not want; He makes me lie down in green pastures. He leads me beside still waters; He restores my soul. He leads me in paths of righteousness for His name's sake. Even though I walk through the valley of the shadow of death, I fear no evil; for You are with me; Your rod and Your staff, they comfort me. Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord forever. Psalm 23*
