“ *Leslie, I met your mom when you had Barry and me over to your home one weekend to visit. She was full of love and energy. She hopefully lived a happy life with all of those children and grandchildren! We had lost touch with you and Barry. Not sure how old Megan and Nick are, but I'm sure they're good looking! Sorry that you have lost your mother, but so glad that we found YOU in the Dispatch. Many happy memories with you and Barry. (please feel free to email us a quick note.) Love and hugs,... Lori and Mark (Kari,Jonathan & Natalie.)*
