“ *Dear Family --*

We wish to extend our condolences at the loss of Dr. Piper.

When we lose a loved one, and especially someone so young and vital, it causes a sadness that is often hard to bear. Something that has helped us through times such as this is the promise that our God has recorded for us in His word, the Bible. This promise is found in the Book of John, chapter 5, verses 28 and 29. There God gives his assurance that your loved one, Missy, will be raised back to life and it will be right here on earth.

I hope that you are able to be comforted by God's messages.

Sincerely and with sympathy,

Larry and Sally Weimer

“ My deepest condolences to the entire Piper family. At did not know Missy but do know how much she will be missed by her mother and brother along with her sister in law and niece and nephew here in Florida. Your family will continue to be in our prayers. Her mother talked quite often about her darling daughter and how much she meant to her.
