“ *We didn't grow up together because we lived in separate towns but when I did see Lonie I always admired her as an older cousin. I remember she introduced me to the phrase "eak a freak without a beak!" Never knew what it meant but i always thought it was cool because she was cool! Glad I had a chance to see her a few years ago in Columbus at a Wehr family gathering. I send our blessings to the family.*

“ Too many memories to pick just one. Loved that she was the “Neighborhood Mom” Even if it was ours she had to keep up with. ❤️ She will forever be remembered by our family, and I’m thankful for the friendship we have had for the past 40+ years. Love all of you!
