“ *I have fond memories of Melvin who was a kind and generous man to his son's friend - me! Playing golf in Houston Texas and eating all his meal credits at Riviera brings me smiles. He will be remembered as a kind and thoughtful man, a trait I will strive to carry on to my son's friends! Thank you Melvin.*

“ *To have had Gene (who we always called Melvin) for my father in law was like winning the lottery. He was a hands-on grandpa from day one and the delight he felt being with Andrew and Ellie was always evident. We are all just heart broken that he is gone from us too soon. But we are grateful for the many, many wonderful moments that we had.*

“ *I am blessed to have known Gene and his family for most of my life. When he spoke he had a tremendous wit and enjoyed life to the fullest. His best qualities live on in his family, particularly his children and grandchildren. God bless you, Gene. For Gene's family, I wish hope in the midst of sorrow and comfort in the days to come.*
