“ I will miss you Mel, more than I can say. Thank you for always being there for me. No matter what the question was, or how busy you were, you and Donna always made time for me. All I had to do was say, "Mel, do you have any free time this week?" and you always found it. Thank you for training and mentoring me, but most of all thank you for your friendship.
Donna, my thoughts and prayers are with you always.

*Much love to you
