“ My condolences to Ashley and family. As Meri's 4-H advisor, I was so blessed to encourage Meri in joining the 4-H program. To watch Meri come out of her shell and grow and blossom into the unique, fun loving, always smiling individual she became. Meri was like another daughter to me as she and our daughter Diane became true friends. Meri will be missed by all who had the wonderful opportunity to know her. Blessings.

“ I met Meri at a party that she was hosting at her home about 20years ago. She was so kind and welcoming to me. Every time I saw her I was always drawn to her kind and humorous personality. She was 'one of a kind.' Prayers to the family.
