Paul and I met Mike when our sons played Tee Ball. Over the years we played about a million Euker games with Mike and Bernie, and spent a lot of Saturday nights around the City. Mike was a good guy and had a great sense of humor. There was never a dull moment when Mike was around. I still smile recalling Mike being chased around the house by a humming bird when I was visiting them in California, if you knew Mike you can probably imagine his reaction. I'm sure Mike will be missed by many, and I think he would like being remembered with a smile, because he made so many people smile. We still say "It's so nice out we'll just leave it out". Thanks Mike, for all the years. Bernie, we are so sorry. You are in our thoughts and prayers. Marybeth Goodburn

“ *We have been privileged to be friends and neighbors of Mike and Bernie that last few years. He was a terrific member and president of the board, and always ready to help. We also spent many hours solving the worlds problems from our front yards, unsuccessfully of course. The whole community will miss him and his great sense of humor. Woody & Jill*

“ Mike was my Stepfather. He always loved me as if I was his own child, even though he didn't raise me. He help me at the drop of a hat if I needed anything. When I was moving back to Columbus & I had started having a house built. Being an hour and a half away was not easy for me to check on. Mike was always checking up on the crews as if it were his own house. And in true Mike fashion, lol, he photo document ed all the framing, wiring, duct work, & plumbing before the drywall could cover up any crappy work. I could go on about so many things he did, as most of us can because he was such a giving, caring, helpful, loving person. He is already truly missed

“ Mike gave me an opportunity at Limbach Co. for which I have always been grateful. Under his leadership the performance of the service group was among the best in the country. He treated subordinates with respect and encouragement. He believed in delivering maximum value to customers and encouraged peers to do the same. Limbach Co has enjoyed much success over the years and Mike was one of the major contributors to that success.

Away from the office Mike reveled in telling stories of his experiences. Lunch with Mike always included an assortment of lively happenings. Thank you Mike for the time we worked together.

“ Mike, was a good friend and a mentor. He gave me a chance, to further my career, by allowing me to move from the field into the office and into a management position. Mike always treated me fairly, and always took the time to help me. I am grateful to have worked for him. He will be missed by all he worked with, in the mechanical and service industry.
