“ *Semper Fi. Always good for a laugh, smile and or hug. One of my
fav Mike stories is when he discovered he could defrost ribs in the
dishwasher. So many good memories and times.*

“ After hearing of Mike's passing, I immediately thought of all the discussions Mike and I had here at Charity Newsies Headquarters. He was a true Newsie, always willing to help where he could. Mike was well-respected and liked by all. He will be missed.

I will always remember the fun times we had at the front corner of the India Oak bar. Many enlightening and lively conversations and of course, BS. RIP Mike.

I met Mike years ago at the India Oak - then came to know him a little better at Newsies. He always had a smile on his face. He will be missed.

“ A special message to Mike's family: You have my prayers and deepest sympathy.
I have known Mike for around thirty years. He will be truly missed!
He has been and will continue to be a special friend!
I have spent many hours with Mike selling Charity Newsies papers on Paper Day Sale. He started the corner at Morse and Stelzer. For many years this corner has been a top fundraiser for Charity Newsies and the school children we have clothed. I have had the honor of assisting Mike in visiting hundreds of homes of needy families.
I spent many hours over the years at the India-Oak "harassing" Mike about beer prices.
There are no words in the English language to adequately express the love and admiration everyone, including myself, have for Mike and all he has done for the community over his life..
He will be truly missed but not forgotten! May you rest in peace for all eternity.
