“ *The Japanese say that no one ever truly dies as long as there are those living that remember them. Your daddy will not die because you will remember him but also he passed to you memories, thoughts, how you live. You already have done that with Kai. I know you feel sad and like there is a hole in your soul but let the memories fill that hole and smile because in you he has not died.*

“ Celia, Amy & Aunt Jo--I am so sorry for your loss. May Mike's soul rest in eternal peace. "Just remember that loved ones never go away. They are always by our side, even on days when they may seem just an illusion." You're in my thoughts and prayers. Love, Ava Stinnett
