On August 3rd, 2023, Mike Snider went to be with his Lord and Savior. He is survived by his wife Letha and children Adam Snider, Stephanie Zieber (Adam), and Connie Mick (Jeremy). He was a loving grandfather to Braden Mick and Avaleigh and Amelia Zieber.

Mike was born January 12th, 1952 to Marian Rose Messersmith and was later adopted by Richard Snider.

In high school Mike was a multi-sport athlete but his love was basketball. Before graduating from Bloom Carrol High School he met his future wife, Letha. After high school he attended The Ohio State University receiving a bachelor and masters in computer science.

His first job was with Battelle where he developed a software design course that he taught for the Association of Computer Machinery. This allowed him to travel extensively. He later became a consultant for several national companies and was part of a team at AOL which was awarded US Patent for work on electronic communications. Mike loved golfing, taking cruises, and searching for moose in the mountains.

His most favorite thing of all was Ohio State football and basketball. He is very missed.

“ *Letha and family,  
So sorry to hear about Mike's passing. He was an outstanding and intelligent classmate. Who can ever forget the numerous tutoring sessions at Mike's house as he worked so hard to teach us chemistry, physics, and advanced math, so we could stay eligible for sports. Thoughts and prayers to everyone.*
