“ *Neva, Debbie, Karen and Family,  
It is with deepest regret that my quest to restore a long lost  
friendship I shared with Micheal has been cut short with his passing.  
I pray for you the good memories of him will help the healing  
process you now need. It is by shear coincidence that my thoughts  
of Mike brought me to this sad moment and wished I had started  
this search many years ago while he was still alive. May God's hand  
be on your shoulder during  
this time of grief.

“ I wish you had many more years of camping, RV traveling, NASCAR races, Fantasy Football, hanging out with your friends, and enjoying your children and grandchildren. You will be missed, Mike. Say "hi" to Grandmas and Grandpas and the Cronin's for me.

“ Mike was my first "client golf" as a young attorney. He always enjoyed telling the story of how nervous I was and how much better he played than I did that day. It was the start of a long friendship and mentorship. He will be missed.
