“ *Sue, like so many of our Watterson High School classmates, I was so shocked and saddened to hear that Mike had suddenly passed. It seems impossible that it's been about 50 years ago that your love story with Mike first began. So happy to know your children and grandchildren are there for you as you cope with this significant loss. May many wonderful memories comfort you in the days ahead.*

“ *So many memories over so many years shared with Mike and Sue. Mike was truly a gentle man and always had a smile and a chuckle. Over the years, we shared life, the laughter the tears the joy the beginnings and endings. One thing will never fade are the memories of my friend and the love he had for his wife and family. I will treasure them always. Love and Miss you, Mike, Rest In Peace I will see you on the other side someday. Get the cards and drinks ready :) Cathy Clifton Harvey*

I am deeply saddened to hear about Mike's passing, Sue. While I didn't know Mike well, I knew through Cathleen that he was truly a beloved husband and father.

May your many years together give you some measure of peace and comfort now.

My heartfelt condolences and prayers go out to you and your family. Nancy (Clifton) Asp
