

Michael Wilson

September 10, 1938 - February 7, 2018

Michael David Wilson, age 79, passed away on February 7, 2018 in Bolivar, Missouri. He was preceded in death by his wife of 51 years, Martha (Bonham) and sister, Stephanie (Wilson) Robinson, and is survived by his sister, Mariam Sturgis; children, Steve Wilson, and Kelly (Aaron) Peery; and grandchildren, Nicolas Wilson, Alec Peery, Matthew Peery, Bailey Peery, and Megan Peery. Born in St Louis, Missouri in 1938, Mike graduated from North High School in Columbus, Ohio and served in the U.S. Air Force. He and his wife Martha were one of the original Worthington Hills families and lived in the neighborhood for over forty years. A generous man and friend to all, Mike traveled extensively for his import/export business and enjoyed sharing elements of Asian cultures with his family and friends. Remembered as “the coolest dad,” Mike had a zest for life and a knack for spotting and addressing the needs of others. Most recently, Mike resided in Bolivar, Missouri, where he was a member of Bolivar United Methodist Church and the Alpha Bible Study group and was working towards a master’s degree in psychology. Mike’s family wishes to express its deepest gratitude to members of the Bolivar United Methodist Church and Pastor David Collum and the staff of Parkview Healthcare Facility (with special thanks to Rachel Wilhite) for their tremendous support through the difficult final weeks, as well as to Dr. Hale and the staff at All Creatures Animal Clinic for their compassionate care of Mike’s dog Lilly over the past five months. The family will receive friends and family from 2-4PM on March 10th at Rutherford-Corbin Funeral Home at 515 High St,

Worthington, OH. In lieu of flowers, Mike's family requests donations to Bolivar United Methodist Church or to All Creatures Animal Clinic at 417-777-2765, 1661 E. Mt. Gilead Rd., Bolivar, MO 65613 (designated to "Pets in Need" in honor of Michael Wilson).

Tribute Wall

“ *Mike was a con artist who screwed many people out of lots of money. A narcissist, he abused his wife and son and cheated on his wife. While possessing great motor skills and a sharp mind, he used those skills to dupe a lot of business partners and friends. In the end no one missed him. The tribute wall from the Marine Corp is the single, generic one you will read, since he alienated most people, who he took advantage of over his fairly long, but unproductive lifespan. It is sad to have to say this, but this bright guy, and initially generous person eventually morphed into a parasite who sucked from most people that he latched onto. So Mike goes off into the ether, with as many accolades as he failed to achieve in his unfaithful, insincere lifetime. As they say, "you may be able to trust a dog with your life, but never with your food."*
