“ *Valerie,*
I was so very saddened to hear of Michael's passing. It seems like just a short time ago when walking my dog, Elsa, you and Michael came out to introduce Cookie to Elsa. Michael was always so kind to my kids when he was out walking Cookie and they walked Elsa. I am praying for peace and comfort for you and your family.

“ Although we didn't know Michael long, we knew he was a great person. Valerie, we are praying for you and both of your families during this time. We will remember Michael's smile and his joy and excitement for life that was obvious to anyone who met him. Words can't express our sadness for your loss but we know that God can give you the peace that passes understanding.
