We would like to sincerely thank the incredible caregivers at Our Family Home (Tonti), who loved Mike like family and cared for him and provided support to our family so compassionately during the final phases of his Alzheimers disease.

A special thank you Debby who's undying friendship to Mike will forever be a blessing and to ALL our friends and family who provided extra support during Mikes illness.

In closing we would like to share something Mike wrote after his diagnosis that we think is a tribute to the way he lived his life:

Life is Short

Never regret anything that makes you smile

Forgive quickly

Kiss Slowly

Laugh uncontrollably

Marry Your Best Friend

Love Truly

“ *While I worked at Honda Mike was one of my managers. He was always kind, understanding and fair. I am sad to hear of his passing. Even though I cannot attend the memorial service, I will send another prayer to Mike that day. The world has lost a such a kind soul.*

God bless.

“ *I have worked with Mike off an on for my entire 28 year career at Honda. Mike was a great guy, always calm, and confident with a matter of fact way about himself. You knew where he stood with his favorite teams and players of those teams. He surrounded himself with good people he knew he could trust and you knew he could be trusted to have your back when you need his help. Tom Hill*

“ My deepest sympathy goes to the family, so sorry for the loss of Mike. Mike had a wonderfully contagious laugh. When Mike laughed, everyone laughed. I was my privilege to work with Mike and get to know him.

One pleasant memory that I have of Mike and his family, is once we were at a neighbors party together. Mike and Teisha and Jake did a Karaoke song together in an enormous garage in front of dozens of guests. They were laughing the whole time, just enjoying family time together. I smile when I think of that time, and the richness he felt when he was with his family.

Mike will be eternally missed.

“ Mike and I worked together for most of my 20 years at Honda, and I was proud to be part of his team. I love his poem, and will keep it with me. So, true.

Teish, he loved you so much and was so proud of Jake. He is the best of family men.

He is missed. I pray for you all.
