“ *Condolences to Millie's family. Terry, I haven't seen you in many years, but I wanted you to know that I have fond memories of living next door to your family on Lexington Ave. Larry and I have wondered over the years if your Mother was still living, so when I saw the obituary yesterday the first thing I did was to call him at work. What a life! I must tell you that I credit your Mother with being the one to get me riding a two wheel bike. I was unsteady and unsure. Your Mother and Ronnie had just cemented the drive at your house and I thought to myself, "If I fall in this wet cement, Millie will kill me!" I stayed upright and gained the confidence I needed. I also remember how protective she was of her "flag" flowers along the drive. She was quite a lady! Carole Betts Pearson*
