“ *Dear Linda, How sorry I am about your Mom's passing. She was lovely...just like you. I remember her beautiful smile and your Dad's...such a wonderful couple. She will be missed....a day doesn't go by that I do not think of my Mother, share a funny story or ask for her support and advice. Our Mother's never leave us!!!! My thoughts and prayers are with you and your family. Much love, Sue*

“ *Linda, I am so sorry that you have had so much on your plate recently. Millie and my mom were good friends back in the Worthington days. We lost Mom a year and a half ago. I don't like losing so many people we love, but I truly believe they are with us all the time. Take care of yourself and please know that I am with you. Love, Terri Norris*

“ Linda, we are so sorry to hear of your Mother's passing. I did not of course, know her as well as your Dad, but I know she was the back bone of your Dad just like our Mom's were to our parents. What an amazing passing of time she has seen in her long and wonderful life. I am sure her training has made you the great person you are too. She is in Peace now with God and your Dad. Respectfully,

“ I didn't know Millie, but she and Coach Nelson raised a daughter, Linda, who, from the earliest time I knew her at Worthington school, was someone special.
