“ *Steve (& Carolyn & family): I am remembering your dad playing as a single in tennis and beating us repeatedly as we tried to play him as doubles. I fondly recall many coversations, 40+ years ago, with your dad & mom over the kitchen table at 4920 Atwater. I am smiling thinking of your dad's playful needling of you and anyone you dared bring into your home. I will keep him, you and yours in my thoughts and heart. John*
