May it comfort each of you to know that your loved one lives especilly in me, with our times spent together, and our telephone conversations we shared.

“ My daring Katrina, I read in the paper about your grandmothers passing, and I wanted to send my deepest sympothy to you. Unfortnuately, I heard about you Mom's passing too late to send my condolance to the funeral home, and if I had known, I would have been there for you. I think of you often and know you've grown into the strong, beautiful women I always believed you would. It was especially unusual to see the obituary today, because we just moved in last night, I unwrapped the purple snail candle you gave me for my birthday and placed it in its spot on my nick nac shelf. It's my treasure as are you. You will always be my daughter in my heart, and I love you. If you need to talk call me at 475-0702. Love Sherry (Coverdale) Washington.
