“ *Myra had such an infectious spirit of joy. She lived life to the fullest and was an inspiration to everyone. I always enjoyed time spent with her. The world is a little empty without her Holding her family and friends in my prayers.*

“ *Myra was a wonderful person and I am so fortunate to have known her. I worked with Ron for 14 years until his passing, and got to know Myra through those years. My friendship with Myra and Ron are unforgettable and I will never forget Myra's kindness, compassion and her loving ways to make me and my wife feel welcome in their home or anytime, and made us feel like such good friends at first meeting over 20 years ago. We will never forget her. Our deepest condolences to Julie, Sarah and the entire family. May God Bless you at this time of such loss. With Love, Ramona and Bob Wilson*

“ I have good memories working in the planting beds with Myra, sitting on the front porch admiring our work, talking and drinking a glass of wine. Our book club won't be the same without Myra's stories. Rest In Peace.

“ Myra was my neighbor and my idol. I was in awe every time I came home to find her on her riding mower taking care of her very large lawn. She was unstoppable. I hope I am able to live life to the fullest just as she has. What an inspiration she has been! Becky Blatt

“ I was so saddened to hear of Myra's passing. We had been in a golf league at Dublin Golf Club several years ago. I will remember her kindly because she gave me a generous donation for my Pelotonia ride! I will keep her in my thoughts and prayers when I ride in my 9th season in August. Prayers and blessings for her family.
